RE: California Proposition 65 Information for SIMONA America Industries, LLC materials

Dear Valued Customer,

In response to updates to the California Safe Drinking Water and Toxic Enforcement Act of 1986 (“Proposition 65”), SIMONA America Industries (SAI) is providing the following information to help you determine an appropriate course of action for your products.

Please be advised that to best of our knowledge, none of our products are likely to expose consumers to and/or contain any of the listed Proposition 65 chemicals, including our fluoropolymer, polypropylene, and polyethylene materials.

For our PVC based products, we are attaching the letter from our supplier of PVC resin that might help you in your determination of how to comply with CA Proposition 65.
